FICTIONAL PRE-BID MATRIX — OWNER REVIEW REQUIRED

Demonstration only. Not a real municipal solicitation, client result, eligibility certification or award prediction.

Requirement	Source finding	Source / next question
Bid security	5 percent of bid price	Scanned addendum p.1. Confirm correct instrument, amount and signatures.
General liability	$2,000,000 per occurrence	RFP p.1. Compare current COI, endorsements and expiry; confirm with insurer.
EMR ceiling	Maximum 0.95	RFP p.40. Obtain current official insurer evidence; verify applicability.
Liquidated damages	$500 per calendar day	Scanned addendum p.1. Review actual contract exposure.
Addendum 2	Signed acknowledgment required	Scanned addendum p.1. Inspect required signature and latest addenda.
Final deadline	2026-12-15T14:00:00-05:00	RFP p.118. Verify official final date, time zone, portal and all superseding notices.

Preliminary result: HOLD — verify the evidence

This example intentionally leaves checks open. Exact forms, bid-security rules, wage obligations, insurance and safety limits come from the actual project. These figures are not universal rules or a legal opinion.

Fictional sources: FICTIONAL_118_PAGE_RFP.pdf and FICTIONAL_SCANNED_ADDENDUM.pdf from the local workflow test. Source text must be checked against original pages. No real customer or government bid is represented.
